RÉCIT - Le 25 décembre 1995, le corps de Christophe Doire est retrouvé dans le fossé d'une route de l'Allier. Il a été décapité, et sa tête a disparu. 27 ans plus tard, la justice espère enfin mettre la main sur son meurtrier. Son avocat affirme qu'il a été «frappé et étranglé» lors d'une intervention dans un hall d'immeuble, pour laquelle l'IGPN a déjà été
 saisie mardi dernier. RECIT - Un Ivoirien de 42 ans a été mis en examen et écroué début avril. Personne ne l'avait jamais croisé dans le petit village où il vivait. Il faut agir rapidement dans la mesure où certains produits tels que le GHB ne sont plus décelables dans le corps humain au bout de quelques heures à peine. Dans une vidéo largement
diffusée sur les réseaux sociaux, on peut voir le déferlement de violence tant physique que verbale dont a fait preuve un petit groupe d'antifas à l'égard des étudiants de l'UNI. Un adolescent de 15 ans a été gravement blessé au couteau à Longjumeau, en fin d'après-midi. Son pronostic vital est engagé. En mars 2019, une «nuit bleue» avait entraîné la
dégradation de plusieurs résidences secondaires en Corse. L'avocat général Christophe Auger a confirmé devant la Cour d'assises la décision rendue il y a trois ans, condamnant les deux policiers pour le viol d'une touriste canadienne. Arrêtés après une infiltration policière inédite, les accusés ont été renvoyés devant la Cour d'assises spéciale de Paris
 pour avoir fomenté un attentat aux abords de l'Élysée. Les soignants ont notamment constaté que les lèvres vaginales de la victime avaient été déposées ces jours derniers pour de supposées piqûres reçues lors de soirées en boîte de nuit ou à
 l'occasion d'un concert. Les agents se seraient vus remettre des récompenses sous la forme de coffrets gourmands en échange de l'évacuation des marginaux du centre-ville. Une vidéo diffusée sur les réseaux sociaux montre un policier se battre avec une personne dans un hall d'immeuble d'une ville de Seine-Saint-Denis. Plusieurs voitures ont été
brûlées, et des arrêts de bus détruits à Laval (Mayenne). Le maire PS dit néanmoins vouloir rester «dans le dialogue». En visite chez son père, l'enfant a chuté dans l'eau malgré la présence d'un dôme rigide recouvrant la piscine. La professeure a été transportée à l'hôpital et a déposé plainte vendredi. Le 31 août 2017, des morceaux de corps brûlés
avaient été retrouvés sur un chemin pédestre de Vernouillet, à une quarantaine de kilomètres à l'ouest de Paris. Ce lapin géant des Flandres a disparu dans la nuit de vendredi à samedi. Une plainte a été déposée. Le téléphone de l'infirmière s'est notamment activé quand Cédric Jubillar était avec les gendarmes, rapporte La Dépêche. Les parents de
Natacha de Crombrugghe, la touriste belge disparue au Pérou il y a trois mois, ont offert... Une femme d'une trentaine d'années et son nourrisson de quatre mois ont été grièvement blessés par une... L'agresseur avait suivi sa victime depuis sa descente du tramway pour ensuite l'entraîner de force dans la cave de l'immeuble où elle vit. Cet individu
de 25 ans a été mis en examen et une information judiciaire a été ouverte. Mamadou Diallo, 32 ans, a été acquitté le 4 avril par la cour d'assises de l'Ain «au bénéfice du doute». Deux hommes ont été reconnus coupables de participation à une association de malfaiteurs terroriste. En 1995, le corps sans tête de Christophe Doire avait été retrouvé dans
un fossé par des chasseurs. Sa tête n'a pas été retrouvée et l'affaire n'a jamais été élucidée. Les mis en cause ont été mis en examen du chef de «violences volontaires ayant entraîné la mort sans intention de la donner», a annoncé le parquet de Bobigny. Interpellé en août 2020 en France, le militaire nie
«catégoriquement avoir été recruté par les services secrets russes» et avoir livré des informations «portant atteinte aux intérêts fondamentaux de la nation». Tous les débris liés à cet essai ont pu être récupérés, à l'exception d'un cylindre contenant «un dispositif pyrotechnique de pressurisation». L'instrument a été identifié comme étant celui d'un
musicien de l'orchestre des Champs-Élysées, à qui on avait dérobé son violon lors d'un voyage en train. S'est-il suicidé dans un cimetière ou coule-t-il des jours heureux en Thaïlande ? Tant que ce père de famille suspecté d'avoir tué femme et enfants n'aura pas été retrouvé, toutes les hypothèses restent encore possibles. Le point sur l'enquête.
Jérémie Cohen, jeune de confession juive, avait été mortellement percuté par un tramway après avoir été frappé, en février dernier. Les faits ont été révélés par le mis en cause lui-même. Il s'est présenté au commissariat de la ville «en déclarant avoir tué sa femme et sa fille». COMPTE RENDU D'AUDIENCE - Salah Abdeslam a raconté à la cour sa
 mystérieuse opération kamikaze dans un bar du XVIIIe arrondissement de Paris, à laquelle il dit avoir renoncé au dernier moment. Dans la nuit de samedi à dimanche 10 avril, les agents mis en cause auraient emmené de force un jeune homme de 21 ans dans un parc pour «lui donner une leçon». Ce dernier a eu le nez cassé. L'ancien agent de la
brigade anticriminalité (BAC) avait, lui, accusé la partie civile d'avoir tenté de le frapper à plusieurs reprises lors de son épouse des médicaments dans le but de la faire violer par des inconnus, trouvés au hasard sur un site de rencontres. Aujourd'hui, sa fille,
 Caroline Darian, raconte dans un livre-témoignage la soumission chimique dont sa mère a fait l'objet. Le jeune homme de 31 ans de confession juive avait trouvé la mort le 16 février dernier à Bobigny, percuté par un tramway alors qu'il venait d'être agressé par une bande de jeunes. Le Chilien a été condamné à 28 ans de réclusion criminelle pour
l'assassinat de son ancienne petite amie. Aux côtés du cadavre se trouvait un homme que les policiers pensaient décédé lui aussi... Mais qui s'est révélé contre toute attente bien vivant. La cour d'assises a condamné le Chilien de 31 ans pour le meurtre de son ancienne petite amie, dont le corps n'a jamais été retrouvé malgré d'intenses recherches. La
reconstitution intervient deux ans après l'attentat qui a fait deux morts et cinq blessés à Romans-sur-Isère, en plein confinement. Les cinq agents sont en garde à vue depuis lundi en fin de journée. C'est le conjoint de la victime, qui se trouvait au moment des faits au bureau de vote de sa commune, qui a fait la macabre découverte à son retour au
domicile dimanche soir. Ce procès intervient en pleine recrudescence des violences sur l'île, à la suite de la mort du militant nationaliste Yvan Colonna. Une information judiciaire a été ouverte pour enquêter sur des faits qui seraient survenus entre 2013 et 2022. Line Dance Light SWitch, choreography by Andrico Yusran INA April 2022 to Charlie
